

## Welcome to Casa Del Sol

**Check In: 4:00pm**  
**Check Out: 11:00am**

### **DIRECTIONS:**

If you are renting a car and driving yourself, take Highway 307 to the south. Only a 20 minute drive from the Cancun International Airport brings you to Playa Del Secreto. After passing through Puerto Morelos while on Hwy 307, watch for the highway kilometer marker 312 and Playa del Secreto sign. Turn left onto the Playa del Secreto road and follow the road to the beach.

OR you can go past the turn, which is a bit bumpy and sharp if you are having to make a fast turn out of traffic, and go left at the Hotel Valentino, and use their entrance to U-Turn to head back on the highway going North. Then take a right at the next dirt road, which is the road to Playa del Secreto.

**MANAGERS:** Our managers (Mauricio or Julio) are 1 block north on the opposite side of the road (Casa Del Secreto) and can help you out if any problems arise.

**KEYS:** The lock box combo on the front door is 73149. We are in condo #2A and Casa del Sol is on the door. There are 2 keys in the lockbox. One is for the front door, and the other is for the beach access gate. Please be sure to put both keys back in the box before you check out.

**NIGHT-TIME ARRIVAL:** IF you arrive after dark, PLEASE bring either a lighter or a flashlight to see the lockbox, as outside lights may be off or dim.

**PARKING:** Your assigned **parking space** is the 1st space on the right when you come through the front gate into the complex, right next to the small stone building.

**CONDO AMENITIES:** There is No Washer/Dryer for your use. Our manager will arrange to do your laundry for a fee.

We have a T.V. with a DVD player, but no satellite. There is a good selection of movies for you to enjoy. Be sure you close the roof top door tight.

Please shut off ceiling fans when you leave to help save energy. Please keep covers on both the couch and the chair in the living room to help protect them from the sand and suntan lotions.

**BEACH ACCESS:** Go out the main gate, turn right and about 80 feet down the road a small sign says: "Sandy's Access". Use Beach Gate key to open.

There is a hose beside the small concrete building when you come into the complex to wash sand off before using pool or going into the condo.

**TRANSPORTATION:** If you did not rent a car, our manager can call a Taxi to take you up to Puerto Morelos, and Taxis are available in town to take you back.

### **NEARBY AMENITIES:**

- Puerto Morelos is 6 miles north on the highway. There are signs on the 307 Highway.
- You can not walk via the beach as there are rocky areas up north near the town.
- You can buy food (small grocery store), check email at an internet café, have great coffee, and several dive shops to take you out to the reef for snorkeling.
- Liquor and beer available in the grocery store, and a bakery is 2 blocks N.E. from the center of town.
- There are several good restaurants in town. Hola Asia has GREAT Chinese food!!!! There is also a GREAT pizza place in town.

Have a wonderful time in Playa del Secreto and be sure to bring the beauty and peacefulness home with you!!

**It is a good idea to bring this sheet down with you to the condo.**

Thank you,
